Rich,

I've been meaning to write this email last week, but I've been busy as heck with work. But I wanted to thank you again for your help in regards to my case.

To be honest I had seriously considered not getting a lawyer, pleading guilty, and hope for the best. I figured I was going to have to pay a great deal of money regardless, so why spend it on a lawyer. But hiring you was the smartest thing I could have done. I would strongly encourage anyone who happens to find themselves in my position - hire a lawyer.

Thanks again. [REDACTED]
